Parent Plan is a comprehensive healthcare plan designed with the needs of your family in mind providing you with fast effective treatment where, and most importantly, when you need it most. Recognising the disruption that illness can cause, Parent Plan also provides a unique cash sum to help pay for the hidden costs of being ill.

This plan provides you with:

- Access to a confidential Nurse Helpline, allowing you to gain a better understanding of your condition or treatment
- Access to over 350 private or NHS hospitals
- Quick and easy settlement of claims.

For a full list of benefits please see table overleaf. Please also read this in conjunction with the Policy Summary. A full set of terms and conditions will be issued to you on commencement of your plan.

Our plan has no overall annual maximum limit (subject to individual benefit limits), easing the worry should you become ill.

As a member of CIGNA's Parent Plan you will obtain exclusive access to on-line Parent Plan information pages. This provides you with instant access to your plan details including your list of benefits, terms and conditions and how to claim guide.
