

# Cigna connect+

## Experience the difference

We all rely on our employees. We count on them to be healthy, happy and productive at work. So it's important that you, as an employer, play your part in looking after their health and wellbeing.

When you're thinking about managing employee health and productivity – wouldn't it be great if you had access to a wider range of benefits from best in class providers?

Here's the good news – with Cigna you can! We work with like minded companies to bring you a complete solution to managing your employees' health and productivity.

## How does it work?

We link with leading healthcare specialists to bring you Cigna Connect. Our partners are established providers and experts in their field. As a result, we will work together to deliver a high quality service to you and your employees.

Here's our complete range of services:

- Private GP services
- Health assessments
- Employee Assistance Programmes
- Physiotherapy
- Fitness and wellness centres
- Health promotions

## Benefiting you and your employees

Offering such a comprehensive benefits package will help you retain the best employees. You can also be sure we will proactively manage your costs by designing a complete benefit solution around your company's needs.

With such a wide variety of services available, we're confident your employees' health and productivity will be well taken care of.
